

# aviano

## Aviano 7

- Proprietary Continuous Profile Cone (CPC™) technology long-throw driver. The CPC™ aluminium cone ensures highly predictable driver performance with controlled piston-like movement at lower frequencies and minimal distortion at higher frequencies. Lightweight aluminium is chosen for faithful dynamics
- Powerful Y30 magnets further enhance the Aviano woofer
- Sonically advanced cabinet assembly and driver bracing design provide ultimate rigidity and support
- Adjustable Notch filter to 'tune out' unwanted room frequencies, allowing wider placement options and flatter power response
- Contoured port flares for improved bass characteristics and lower distortion
- Supplied set-up test tone CD to maximise benefit of on-board filtering features
- Auto on/off feature
- Energy star approval
- Easily removable front grille.

### Aviano 7 specifications

Drive units	1 x 255mm (10") CPC™ long-throw woofer
Output power	175W active
Frequency response	35Hz – 200Hz
Crossover	Active – variable 50Hz – 200Hz
Max power consumption	360W
Dimensions (h x w x d)	423 x 305 x 361mm (16.7 x 12.0 x 14.2")
Weight	17.5kg (38.5lbs)
Finishes	Dark Walnut Black Rosewood
