## EVOKE-1S

Luxury DAB & FM Portable Radio

EVOKE-1S is the third generation of the iconic EVOKE family of DAB digital radios, and delivers a host of new features and improvements over its predecessors.

We've added more station presets, an input for your iPod/MP3 player or portable CD, PURE's revolutionary Intellitext® and textSCAN™ and FM with RDS for areas with reduced DAB coverage. The optional in-unit rechargeable ChargePAK® gives up to 24 hours of portable listening between charges, so you can enjoy your favourite stations wherever you want.

A striking new OLED (Organic Light Emitting Diode) display offers crystal-clear readability from any angle, and manual or automatic brightness control for optimum clarity.

Of course we've kept all of the features that made EVOKE-1<sup>XT</sup> a multiple-award winner, including class-leading audio, an easy-to-use kitchen timer, USB upgradability, an optional stereo speaker and real maple or cherry veneer casework.

Optional ChargePAK gives up to 24 hours portable DAB listening

OLED display for superior contrast and readability

Connect an iPod/MP3 player or portable CD

## Features

-  Optional fit-and-forget ChargePAK provides around 24 hours of portable DAB listening per charge.
-  OLED display for superior contrast and readability.
-  Connect an iPod/MP3 player or portable CD.
-  Browse stored scrolling text.
-  Pause and control scrolling text.
-  Light sensor adjusts the display brightness to suit the light in your room.
-  Dedicated kitchen timer button.
-  Easy to use tone or radio alarm.
-  30 DAB or FM presets in a combined list.
-  RDS for FM station name display and RDS scrolling text.
-  Add new features as they become available via USB.

## Accessories available separately

**ChargePAK E1**  
Rechargeable fit-and-forget battery for up to 24 hours of portable DAB listening.

**S-1 speaker**  
Matching speaker for stereo sound. Fitted with 3m cable and bass port.

**i-10 powered dock for iPod\***  
Listen to and charge your iPod. Navigate and control iPod with supplied remote.

Please note that EVOKE-1S and the S-1 auxiliary speakers use real wood veneer. As with all natural wood products, some variation in colour is to be expected. \* iPod not included.

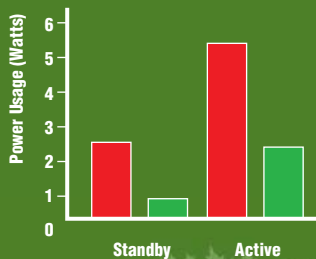

EcoPlus products are designed and manufactured to minimize their environmental impact, with:

- reduced power consumption in operation and standby (see graph opposite)
- use of materials from recycled and sustainable sources
- the smallest possible packaging
- components selected to minimize environmental impact
