## EVOKE-2S

Luxury Portable Stereo DAB & FM radio

**DAB** **DAB+** digital Radio **RDS**

EVOKE-2S is a refined portable DAB/FM radio with impressive audio, a clear OLED (Organic LED) display and long battery life.

If you haven't experienced DAB digital radio yet, you're in for a treat. There's more station choice, easy station selection, extra information on the display and crisp, clear digital-quality sound.

Our best sounding portable radio yet, EVOKE-2S produces 30W RMS from custom tuned mid-range speakers and separate tweeters driven by PURE Clearsound technology. Clearsound is a digital end-to-end audio subsystem using high quality Class D amplifiers and digital audio shaping technology to provide clear dynamic audio, higher volume levels and low power consumption.

Packed with features, EVOKE-2S includes ReVu™ to pause and rewind live DAB radio, Intellitext® and textSCAN™, alarms and sleep timer functions, all the presets you'll ever need and the latest ChargePAK® technology. Its OLED display is crystal-clear from any angle and has both manual and automatic brightness controls. There's also an input for your iPod/MP3 player, a kitchen countdown timer, USB upgradability and real maple veneer casework.

PURE Clearsound™ – digital end-to-end audio solution

Connect an iPod/MP3 player or portable CD

OLED display for excellent contrast and readability

Mains or ChargePAK powered (ChargePAK sold separately)
