tuning.

IE 80

 **SENNHEISER**

## IE 80

The IE 80 features high-fidelity stereo sound and high noise attenuation with an enhanced design. Encased in a brushed-metal housing and rugged, interchangeable cable, it is built for maximum robustness and flexibility. The IE 80 also features a unique technology that enables sound-tuning of bass response. A world of premium audio awaits your discovery.

- Dynamic speaker systems with powerful neodymium magnets ensure outstanding sonic accuracy and clarity
- Excellent attenuation of ambient noise of up to 20 dB
- Extremely durable housing and rugged, interchangeable cable
- Unique, manual frequency response tuning functionality
- Sleek ergonomic design of ear-canal phones
- 2-year warranty
