

# HD 428

## Blocks outside noise

Closed-back around-ear stereo headphones with dynamic bass and high passive noise attenuation

Want a pair of headphones that sound as good as they look? Look no further for the HD 428 comes with a crosshair design and rugged rubber finishing on their earcups, but their high-output neodymium magnets provide for a powerful stereo sound reproduction. Not to forget, their closed circumaural configuration effectively blocks outside noise while the single-sided cable reduces tangling, ensuring high comfort and ease-of-use.
