30W Stereo integrated amplifier

These things of beauty are not arrived at by accident,
all of their flowing features are bound by the one outcome
our design.

This unique combination of materials both natural and
manmade are brought together not just as a product,
but as something to be treasured.

This interpretation of hand crafted design is achieved
in a way only the Italians sense of flair and taste
knows how to give.

Our technology is designed to innovate and yet be
simplicity to use.
Built for the World with a spirit Made in Italy

Shapes, materials, finishes, technologies, all joined
by a constant thought: designs and sounds that
enriches your quality of life..

If we can together bring well being by
our designs then..... feel good.

Technical specifications:

Power stage:	4 x 6BQ5/EL84	Signal/Noise ratio:	>90dB, A weighted
Driver:	12AU7-ECC82	Power consumption:	310W Max
Input stage:	12AU7-ECC82	Finish:	Synthesis red laquer Black piano laquer
Controls:	Front: <i>Input switch selector, volume.</i> Rear: <i>Power button, male power sck, RCA gold plated conncectors, power connectors, protection fuses.</i>	Dimensions: (w,d,h)	320x220x120mm
Inputs:	Cd player, Tuner, Video, AUX1, AUX2.	Weight:	12.0 Kg
Outputs:	Parallel push-pull		
Configuration:	Tape out		
Power output:	30W RMS/8 ohm
